OFFSHORE ONE DESIGN CLASS ASSOCIATION

25 February 2010

Moorings for Sigmas for Cowes Week 2010

We have arranged berths at Sigma City for your Sigma 33 on the southern end of 'E' Pontoon which is virtually opposite the Medina Yard just south of the chain ferry 50 yards from the northern end of East Cowes Marina. The number of berths that have been reserved is 15 and acceptance needs to be taken up by 1st May.

We will be able to use the Shepard's Wharf toilets and shower facilities but the only free taxi service runs between Town Quay and the pontoons. We will also be rafted up to four boats deep. The cost is £181.08 for the 8 nights (i.e. Friday night through to the Saturday noon). Please send your cheque made payable to "Cowes Harbour Commission" as soon as possible.

Unfortunately, we do not currently have any storage facilities ashore and will not be able to moor at Shepherd's Wharf itself, as they are fully booked.

Please return this form to: Jo Chugg,
14 Motspur Park,
New Malden,
Surrey KT3 6PN.
